Hons. J. C. Bush and J. N. Donohue, Dr. J. M. Connor, A. M. Middlebrooks, Mr. Wiley Jones, Mr. Ferd Havis, and a host of others.

It is with great satisfaction that the career of Mr. Duke is pointed out for the emulation of our young men, as it is most surely inspiring, founded as it has been upon the enduring bases of integrity and high purpose.

Equally should the dignified course of his newspaper commend itself to the management of other race journals as he has never descended to the plane of vituperation or abuse with which many of them are unhappily too well supplied.

## THE AMPHIONS MAKE NEW REQUESTS!!!

By special request of the Earl and Countess of Shaftesbury who came to this country as the guest of Sir Thomas Lipton, the Amphion Glee Club, Prof. J. Henry Lewis, director, gave a concert Saturday evening, September 5, at the residence of Mrs. Corbin, who had invited Gen. and Mrs. Chaffee, Colonel Edwards, Maj. and Mrs. McCauley, Mrs. Thomas F. Welsh and others to meet the guests of the evening.

The Amphions sang as though they were inspired by the occasion, and each number was enthusiastically received, and the very unusual compliment was paid them in the form of a request for a repetition of several numbers already given for the benefit of the Earl and Countess of Shaftesbury. They received an ovation.

This wonderful organization has an international reputation, and distinguished personages from abroad who visit the Nation's Capital, always desire to hear them before leaving.

Messrs. Chas. A. Champ, Jos. De Witt Wilson, Wm. A. Carter, and Wm. Cooper were the other members who accompanied Director Lewis on this occasion, the remaining members of the club being compelled to accompany the outing which was given by the Amphions on the same evening and which was very largely attended.
